

# The Switchers Talks

# Agenda

Thursday, 6th of July

## Switchers Community

10:00 - 12:00 (CET)

---

Welcome!

---

What's up in the Community?

The managers of the Community will go through the main updates of the past year and will present them to the Switchers.

---

From A to Z.

Two Switchers, one that is currently being incubated and another that is already part of the Community, and has consolidated a business after having gone through the whole incubation process, will have a discussion.

---

The Switchers Speed-Opportunities.

A wide range of Switchers will briefly present updates and opportunities from their businesses and will make concrete offers only for the green entrepreneurs of the Community.

---

Closing

---

## Lunch Break

12:00 - 14:30 (CET)

---

## EVPA Masterclass

14:30 - 16:30 (CET)

---

Welcome!

Welcome on behalf of EVPA and introduction to the Masterclass

---

Investing for Impact: The Fundamentals

Florian Tuder (EVPA Training Academy) introduces the fundamental approach of investing for impact, including the three core practices: *tailored-financing*, *non-financial support* and *impact measurement & management*

---

Sharing Best Practices

Two EVPA member organisations will present how they implement the investing for impact approach, highlight their investment strategy and how the three core practices shape their action.

---

Panel Discussion

Moderated by Martijn Blom (EVPA Impact Funds Initiative) to dive deeper into the practice of the two EVPA examples and give the audience the opportunity to interact and ask questions.

---

Closing

Florian Tuder and Martijn Blom will wrap up the Masterclass, summarising the main learnings and provide perspectives on how to continue your learning journey.
